UW Whitewater does not have one report that will show an itemization. We recommend to print out the following for your employer:

- Account Inquiry in WINS>Student Financial Account>Account Inquiry>Printer Friendly
- Schedule of your classes including the number of credits
- Rate sheet from UW Whitewater for 2023-2024: <https://www.uww.edu/adminaffairs/finance/sfs/tuition-and-fees-2023-2024> and 2022 - 2023 <https://www.uww.edu/adminaffairs/finance/sfs/archive-2022-2023>

Do you have a copy of an itemized invoice that shows the breakdown?

Good afternoon,

We don't have another receipt other than your billing statements or account inquiry. Nelnet sends an email confirmation when you make a payment, I'm not sure how much different that looks from what we can see on our end. Did they give you reasoning for why they couldn't accept it and that could help us steer you in the right direction?

Thank you, I guess this would also be fall 2023 that ended spring 2024.

Hello,

The Registrar's Office does not handle any financials, tuition, or billing. I have cc'd in Student Accounts to assist you.

Good afternoon,

Would you be able to provide me with a formal receipt for my tuition paid for the spring 2023 semester. I am submitting for my work and the one I was able to get off Wins/QuikPay did not work for them.

Thank you,
Lance
